

2010 Starting Point Book

The Year-Round Walking Event Book

Starting Point features Year Round events (YREs), which are events that are available any day of the year. There are some restrictions, most notably closures during holidays at some locations. Seasonal events, as the name suggests, are open during a limited time frame (11 months or less) usually due to weather conditions.

**\$17.50 per copy plus shipping/handling cost below.
